HANDMADE IN ENGLAND

EXTRAORDINARY DESIGN

METICULOUS CRAFTSMANSHIP

Mass production is not an idea we subscribe to at Vertu. Each Constellation is handmade to uncompromising high standards by an individual craftsman in the village of Church Crookham, England. Only when the craftsmen are entirely satisfied do they engrave their signature onto the extraordinary phone they have created.

CONTEMPORARY STYLING

The Constellation combines sleek, cutting edge design with Vertu's trademark superior materials and handcrafting expertise. With a slimmer, cleaner aesthetic, a fresh, modern colour palette and finished in refined calf leather, it is the embodiment of understated elegance.

THE FINEST LEATHER

There is nothing ordinary about the materials used in the Constellation. The luxurious calf leather that completes the phone is carefully chosen for its superior quality and natural grain and texture. Available in a range of exquisite colours, it is sourced from a tannery with over 150 years' experience.

EXTRAORDINARY PERFORMANCE

VISUAL CLARITY

The Constellation not only looks and feels extraordinary, it performs extraordinarily as well. Virtually scratchproof sapphire crystal provides flawless optical quality, protecting a 4.3" HD display that produces the highest resolution possible for a screen of its size. Polarising and filtering layers keep any glare and reflections to a minimum, helping to ensure that the screen of each handset remains crystal clear for optimal viewing.

EXCEPTIONAL SOUND

The Constellation is perfectly tuned to deliver an extraordinary sound performance. An audio amplifier uses real-time measurements to constantly monitor the loudspeaker and optimise output, delivering the highest possible audio performance without distortion, whatever you choose to play. Featuring Uplink noise cancellation software to improve the clarity of every call you make, and a range of stunning ringtones performed by the London Symphony Orchestra.

SUPERIOR STRENGTH

The body of the Constellation is made from a forged grade five titanium alloy more usually found in high-performance racing cars and spacecraft, that is two-and-a-half times stronger than stainless steel, yet only half its weight. The sapphire crystal screen is not only virtually impossible to scratch, it is strong enough to resist the impact of a 200g steel ball being dropped on it from a height of one metre.

EXTRAORDINARY SERVICES

The Vertu Key, cut from ruby, can be found upon every Constellation, providing instant access to a host of exclusive benefits and services, including the tailored privileges and experiences of Vertu Life, together with the enhanced security and connectivity of Vertu Certainty.

VERTU LIFE

The Constellation is more than a phone. It is your entry to the most exclusive private members' clubs. It is your invitation to world-class events, from the biggest sporting fixtures to must-see theatre premieres. It is your ticket to closed-door shopping experiences for the world's iconic fashion brands. And it is your aide across the world, with tailored privileges, hand-picked to ensure that your every city experience is an extraordinary one.

VERTU CERTAINTY

Vertu Certainty protects you, your phone and your data through our expert partners and best-in-class technology. Featuring specialist personal and business security through the Protector Services Group, superior Kaspersky antivirus and anti-theft protection and Vertu's 24/7 remote access technical support, as well as encrypted communications from Silent Circle, keeping your phone calls, texts and video calls secure over any network. Plus enjoy unbeatable connectivity across the globe with access to iPass, the world's leading commercial Wi-Fi network.

TECHNICAL SPECIFICATION

Physical Specification

Length: 142.2mm, Width: 70.4mm,
Depth: 11.2mm, Weight: 179g

Operating System

Android™ 4.2 (Jelly Bean)

Hardware Characteristics

- Qualcomm® Snapdragon™ Dual-core 1.7GHz processor
- 4.3" 720p, brilliant, high contrast display, protected by sapphire crystal
- 13 MP main camera with AF and twin LED flash
- 1.3MP Skype™ compliant front camera
- 32GB of internal memory
- High-fidelity 11mm x 15mm loudspeaker
- A-GPS + Compass
- Gyro and accelerometer for orientation and game play
- Battery¹:
Built-in rechargeable Li-ion battery
Talk time: Up to 14 hrs 30 mins on 3G
Stand-by: Up to 405 hrs
Internet use: Up to 7hrs 40 mins on 3G,
Up to 9 hrs 20 mins on Wi-Fi
Video playback: Up to 9 hrs 15 mins
Audio playback: Up to 43 hrs

Connectivity

- Quadband GSM 850/900/1800/1900 MHz
- WCDMA Bands I, II, IV, V, VIII
- HSPA+, Cat24, 42Mb/s Downlink, Cat6 5.76Mb/s Uplink
- WLAN 802.11 a,b,g, n, inc. WAPI for PRC
- Micro USB system connector
- 3.5mm audio socket
- Bluetooth® v4.0 + LE
- CSR aptX® support
- NFC + support for embedded and SIM based secure elements
- Wi-Fi hotspot (tethering & portable hotspot)

Applications

Vertu applications¹, including Life, Certainty, Recommended apps & Remote assist

Google Mobile services², including Google Play™, Gmail™, Google Chrome™, Google+™, Google Maps™, Google Drive™ cloud storage, YouTube™ and other services.

Calculator, Calendar, Camera, Clock, Downloads, Email, Gallery, Messaging, Movie Studio, Music³, People, Phone, Settings

Baidu App Search³, Baidu Input³, Baidu Search³, AutoNavi Maps³

Services¹

Vertu Life. Vertu Certainty.

User Interface Display Languages

Arabic, Bahasa Indonesia, Czech, English (GB), English (US), French, German, Italian, Japanese, Korean, Portuguese, Russian, Simplified Chinese, Spanish (ES), Spanish (US), Thai, Traditional Chinese (Twn), Turkish, Ukrainian, Vietnamese

With Your Phone¹

- Vertu Constellation phone with nanoSIMcard drawer
- Calf skin leather phone slip case
- Wired stereo headset with remote
- Wall charger with regional plug heads
- microUSB cable 1200 mm
- microUSB cable 250 mm
- Polishing cloth
- SIM eject tool
- Collateral pack, including Quick Start Guide, Warranty Booklet, Authenticity Card and Website Information Card
